How Rakamin Help

Talent
Transformation
Consulting

Empower your company to navigate and resolve critical challenges through tailored training and strategic consulting.

People Behind Rakamin

Andika Deni Prasetya

Andika, is founder and CEO of Rakamin, specializes in bridging the gap between education and the tech industry. With expertise in digital skill training, talent assessment, talent acquisition & development, and workforce transformation, Andika has driven Rakamin to become a leader in preparing Indonesia's next generation of tech professionals.

His expertise includes psychology & education. Prior to Rakamin, he held key roles in tech innovation at Telkom Indonesia. Andika has been involved in bridging the talent gap in Indonesia, especially in collaboration with programs like the Digital Talent Scholarship initiated by the Ministry of Communication and Informatics.

People Behind Rakamin

Dharma Syahputra, GPHR

Dharma is Co-founder & CEO Rakamin Consulting, brings over 20 years of executive HR experience across a broad spectrum of industries, including pharmaceuticals, healthcare, retail, telecommunications, property, manufacturing, and utilities.

With deep expertise in strategic HR, Dharma has led key initiatives in HR transformation, capability building, HR technology integration, and advanced analytics.

Specializing in sectors such as telecommunications & media, pharmaceuticals & healthcare, property, and manufacturing, Dharma has a proven track record of aligning HR strategies with business goals to drive organizational success and innovation.

Expert-Driven Learning Solution

Rakamin has expert partners & consultants, each offering **tailored learning solutions** based on their **deep industry and functional expertise**, ensuring end-to-end support from diagnostics to evaluation for optimal business impact.

Our Client

Rakamin has become the **best partner** in **solving problems** for hundreds of national and multinational companies.

Syllabus Overview - Hard Skill

There are 10 hard skill modules which are arranged comprehensively

1

2

3

4

5

Programming Introduction

Learning focuses on understanding **History of Apps & Web, Product Concept, SDLC and Tech Stack**

Javascript

Learning focuses on understanding **Javascript Algoritma, Version Control, OOP and DOM**

HTML & CSS

Learning focuses on understanding **Web Development, HTML dan CSS, Web Layout, Responsive Design**

React JS

Learning focuses on understanding **React JS**

Node JS

Learning focuses on understanding **Node.JS, Express.JS, Restful API**

Syllabus Overview - Hard Skill

There are 10 hard skill modules which are arranged comprehensively

Bootstrap

Learning focuses on understanding **Bootstrap Grid System and Layout Components, Bootstrap Typography and Colors, Bootstrap Components**

API Architecture

Learning focuses on understanding **API architecture, Documentation**

React Native

Learning focuses on understanding **React Native fundamentals, React Native Styling, Synchronous & Asynchronous, OOP, Networking, React Native HTTP Request**

Firebase

Learning focuses on understanding **integrate applications with Firebase**

Apps Deployment

Learning focuses on understanding the concept and purpose of using CI/CD, Able to generate (render) apk files

Overview Timeline & Rundown

The bootcamp will be conducted on Thursday, 5 December 2024 at 08.00 - 17.00 WIB - 18 December 2024

In week 3, the focus will be on working on the **final project**, which will be done in groups, and there will be two mentoring sessions. Additionally, each participant is required to complete the **final exam**, consisting of 60 questions. Both the Final Exam and Project must be submitted before the 27th.

Detail Journey

Detail Journey

Detail Journey

Bootcamp Journey

What Will You Get on 10 Days Bootcamp + 1 Week Assignment

By concentrating **on core learning content** over 10 days training, participants can master the **essential skills** needed for various IT divisions at Bank Syariah Indonesia

1-week assignment after the training gives participants the opportunity to **apply their learning to real projects**. This helps them understand how the **theories** and skills acquired can be **implemented** in daily work contexts.

This structured approach encourages participants to **learn independently, solve problems, critical thinking, and take initiative** in their projects. These are **crucial skills** for their **success in roles** at Bank Syariah Indonesia.

Bootcamp Journey

Why is it Important to learn all the content?

You will gain **comprehensive understanding** and **practical skills** that are ready to be applied in various **IT projects at Bank Syariah Indonesia**

This material will prepare you to **face dynamic technological challenges** and ensure that you can make the **maximum contribution** to the IT division where you are placed.

This will allow you to **adapt more quickly** to new technologies and become a **reliable solution** in the **development** and **implementation** of IT projects in Bank Syariah Indonesia.

By completing the entire learning journey, you will have a strong foundation to contribute at Bank Syariah Indonesia.

Objective

Our goal isn't to turn you into developers, but to equip you with **essential skills** that can be **applied across various divisions**, such as **Data, Marketing, and more.**

This course is designed to build the **logical thinking** necessary to excellence in these areas.

We believe that this **10-day learning journey** won't be easy. You'll need to bring **extra enthusiasm** to absorb a lot of new information.

Even though you might **not directly apply** all the technical skills in your job right away, you'll gain **valuable knowledge** that will benefit your future career

Be a tough learner!

Mentoring Live Session

- Each group will be assigned a **mentor** to assist with discussions during the final project work **twice a week**.
- The mentoring sessions will last for **1.5 hours** and must be attended by every group member. The agenda for the mentoring sessions **will cover the tasks worked on during the week** when the session takes place.
- It is recommended to **start working on the homework before the mentoring session** to make the discussion more effective.
- Each group member will receive **individual assessments from the mentor** during the session.

Final Scoring

The assessment will be accumulated throughout the bootcamp sessions with the following details:

- **Mentoring Session Assessment** - Attendance, participation in discussions, quality of work, completeness of meeting notes, and progress on homework.
- **Final Project Assessment** - Based on submissions to the LMS.
- **Weekly Exam Assessment** - Evaluation through weekly exams.

Overview Learning Management System

Learning Management System

LMS Rakamin Academy digunakan untuk memberi peserta pengalaman yang baik untuk memantau, mengakses, dan meningkatkan keterlibatan peserta dengan program pelatihan.

Sistem ini dirancang untuk merampingkan proses pembelajaran dan memberdayakan peserta didik untuk melacak kemajuan mereka secara efisien.

Dengan fitur yang mudah digunakan, Learning Management System memfasilitasi akses mudah ke materi bootcamp seperti reading material, video learning, dan penilaian.

Attendance History

1. Akses ke rakamin.com untuk dapat **Login** menggunakan username/email dan password yang telah diberikan oleh tim Rakamin Academy
2. Atau, klik **Register** untuk mendaftar secara mandiri akunmu di platform Rakamin
3. Pastikan email yang kamu gunakan untuk mendaftar dengan **domain public seperti gmail.com**
4. Kami tidak merekomendasikan penggunaan email corporate

The screenshot shows the Rakamin Academy website homepage. At the top, there is a navigation bar with the Rakamin Academy logo, a search bar, and links for "Job Guarantee Bootcamp", "Project-based Internship", "For Corporate", "Login", and "Register". The main headline reads "Mulai Karier Digitalmu atau Dapatkan Refund 100%" with a subtext "Temukan potensi, tingkatkan kompetensi. Bersama Rakamin, raih karier impian!". Below the headline is a photo of a woman smiling while working on a laptop. At the bottom, there are four cards with arrows pointing from left to right: "Pilih status kariermu! dan dapatkan garansi dijamin dapat karier impian*", "Bingung memilih karier", "Sudah tahu karier impian", and "Skill siap, ingin cari kerja". A large button at the bottom says "Lihat Program Rakamin".

Change Passwords

1. Jika peserta mendapatkan akun dan password dari tim Rakamin Academy, peserta dapat mengganti password yang diberikan dengan cara **Klik Lupa kata sandi pada halaman Login**
2. Sistem akan secara otomatis mengirimkan link untuk mengganti password pada email peserta

1. Setelah Log In, peserta akan diarahkan pada **Dashboard Courses**.
2. Untuk mengakses Courses yang sedang berjalan, silahkan klik **Enrolled Courses >> Nama Courses >> Lihat Kelas**
3. Untuk mengakses Courses yang telah selesaikan dilakukan, silahkan klik **Completed Courses**

The screenshot shows the 'Courses List' page of the Rakamin Academy platform. On the left, there's a sidebar with navigation links: Courses Management, Courses List (selected), Courses, Job Guarantee Prog..., Job Acceleration Pro..., Survey Management, Project-Based Interns..., Reward, Finance, and Payment. The main area has tabs for 'Enrolled Courses' (selected) and 'Completed Courses'. Below that, it says 'Showing 1 - 6 of 29 results'. There are several course cards. The first card, 'Product Owner Training', is for 'Product Owner Batch 1 - BSI' and is at 43% completion, with a yellow 'Lihat Kelas' button highlighted with a red box. The second card, 'PROA KUMINFO SQA Kelas C', and the third card, 'SQA - Kelas B PROA Kominfo', are partially visible.

1. Setelah peserta Klik **Lihat Kelas**, dashboard akan membuka halaman course yang dipilih.
2. Pada halaman course akan ada **banner schedule** pelatihan sebagai **pengingat jadwal berikutnya**
3. Ada tiga section yaitu **Main Program**, **Portfolio Creation** dan **Job Guarantee Program**
4. Pada **Corporate Training**, peserta cukup mengakses section **Main Program**

The screenshot shows the Rakamin Academy dashboard for the 'Product Owner Batch 1 - BSI' course. On the left, there's a sidebar with various management options like Courses Management, Courses List, Courses (selected), Job Guarantee Program, Job Acceleration Program, Survey Management, Project-Based Internships, Reward, Finance, and Payment. The main content area displays a 'Next Schedule' section with three items: 'Final Exam Final Exam PSPO' (due Nov 01, Submit button), 'Day 1 - Training PSPO 1. Agile product management' (due date not specified, Read button), and 'Day 3 - Training PSPO 7. Certification Explanation' (due date not specified). Below this is a 'Main Program' section with a red border, containing the text: 'Semua sesi kelas, homework dan exam Product Owner Batch 1 - BSI dapat kamu akses di sini'. At the bottom, there are sections for 'Portfolio Creation (Mini Project & Project-Based Internship)' and 'Job Guarantee Program'.

1. Untuk mengakses **Reading Material atau Video Learning**, peserta dapat meng-klik sesuai **button Read atau Watch**
2. Setiap button yang dipilih, peserta akan diarahkan ke tab berbeda untuk mengakses materi course secara keseluruhan.

The screenshot displays the Rakamin Learning Management System (LMS) interface for a 'Product Owner Batch 1 - BSI' course. The top navigation bar shows the course title. Below it, the 'Next Schedule' section lists a 'Final Exam PSPO' with a due date of '01 Nov 23' and a 'Submit' button. The main program section, titled 'Main Program', shows a summary of sessions: 'Day 1 - Training PSPO' (with sub-sections '1. Agile product management' and '2. Value driven development'), 'Day 3 - Training PSPO' (with sub-sections '7. Certification Explanation' and '8. Simulation Practices'), and a 'Live Session Day 1' which is marked as 'Done'. On the right side of the screen, there are two red boxes highlighting interaction points: one box surrounds the 'Watch Again' button for the Day 1 session, and another box surrounds the 'Read' button for the Day 3 session. The overall theme of the interface is professional and modern, with a dark teal background and light-colored cards for each course component.

1. Jika peserta klik button **Read** sesuai dengan materi yang dipilih, peserta dapat membaca **reading material secara langsung** melalui platform, atau **mengunduh materi** untuk dibaca secara **offline**.
2. Platform juga dapat diakses melalui mobile phone dan tampilan sudah disesuaikan dengan versi mobile web.

The screenshot displays the Rakamin Academy mobile web interface. At the top, there's a navigation bar with a bell icon, user profile, and a yellow 'Lanjutkan' (Continue) button. Below the navigation is a breadcrumb trail: 'Modul Belajar' > 'dashboard' > '1. Agile product management'. On the left, a sidebar shows course modules: 'Day 1 - Training PSPO' (selected), '1. Agile product management' (highlighted in blue), '2. Value driven development', '3. Scrum theory and empiricism', 'Exam - Day 1', 'Day 2 - Training PSPO', 'Day 3 - Training PSPO', and 'Final Exam'. The main content area shows a 'PowerPoint Presentation' slide titled '1. Agile product management'. The slide features a large image of a man in a batik shirt, identified as 'Julio Monoarta Engineering Coach & Scrum Master'. Below the image is the text 'Meet your Tutor'. To the right of the image, there's a bio: 'Over a 15-year career in the technology industry, enthusiastic certified Agile Coach/Scrum Master. Have worked in an Agile environment as an Agile Coach/Scrum Master for 4+ years, where I have found my biggest passion. Proven history of successful work with cross-functional teams.' At the bottom, there's a section for 'Education & Certification' with several icons representing various qualifications.

1. Jika peserta klik button **Watch** sesuai dengan materi yang dipilih, peserta dapat menonton **Video Learning** secara langsung melalui platform

The screenshot shows the Rakamin Academy platform interface. On the left, there's a sidebar with a navigation menu for the "Program Sertifikasi Karier GoTo: Digital Marketing & E-Commerce". The menu items include: Orientation Day & Pre-Test, W1 - Introduction to Social Media & Ma..., W1 - Tugas, Live Mentoring & Exam, W2 - Research Methodology, W2 - Content Marketing I, W2 - Tugas, Live Mentoring & Exam, W3 - Content Marketing II, W3 - Tugas, Live Mentoring & Exam, and W4 - Customer Relation. Below these are sections for 10 PPT Customer Relation-Management... and 10.1 VL Opening. The main content area is titled "10.2 VL Alur orderan hingga sampai ke customer". It features a video player with the title "10.2 VL Alur orderan hingga sampai ke customer" and a thumbnail showing a woman speaking. To the right of the video, there's a diagram titled "Order Flow to End Customer Social Media" which illustrates the process from a social media post to delivery. The diagram includes a smartphone screen showing a social media feed and a laptop screen showing a delivery status. Callout boxes explain various steps: "Beragam pilihan order untuk customer", "offline", "Delivered to customer", "Direct online", and "Marketplace online delivery". The overall theme is digital marketing and e-commerce.

1. Pada Dashboard masing-masing course yang diikuti peserta, peserta dapat melihat progress course yang telah berjalan pada **Course Detail**
2. Peserta dapat mengakses Certificates Rakamin pada button **Certificates and Gradebook**
3. Peserta dapat mengakses link grup peserta pada button **Join Group Now**

The screenshot displays the Rakamin platform interface for a Data Science Bootcamp Batch 35. On the left, the main dashboard shows a 'Next Schedule' section with two items: 'Advanced Plots PPT - Advanced Plots' (start date 31 Jul 23) and 'Enhance Portofolio PPT - Enhance Portofolio' (start date 07 Agt 23). Below this are sections for 'Main Program' (with a note about accessing all sessions), 'Portfolio Creation (Mini Project & Project-Based Internship)', and 'Job Guarantee Program'. On the right, a sidebar provides course details (10 Juni 2023 - 11 November 2023, 5% progress, 32 / 576 Sessions), access to 'Certificates and Gradebook', and a button for 'Join Group Now!' which is highlighted with a red border. The top right of the sidebar also shows a notification bell and a reward icon.

1. Jika pada pelatihan terdapat **gamification**, peserta dapat mengakses XP yang mereka dapat dari setiap aktivitas learning seperti **Reading, Watch Video Learning, Assignment and Exam** pada section gamification.
2. Tidak semua pelatihan mendapatkan gamification, hal ini tergantung dari kebijakan perusahaan.
3. Setiap **milestones** yang dicapai, peserta dapat menukarkan XP nya dengan sebuah **reward**

The screenshot displays a mobile application interface with a dark background featuring a blurred profile of a person wearing glasses. At the top right are icons for a bell and a user profile. The main content area shows a list of sections with dropdown arrows:

- dapat kamu akses di sini
- hip)
- para expert, dan Project-Based Internship dari perusahaan ternama
- pelamaran kerja, dan praktik intensif wawancara

To the right of these sections is a progress bar showing "5% progress" and "32 / 576 Sessions". Below the progress bar are two buttons: "Certificates and Gradebook" (teal) and "Join Group Now!" (yellow). A red box highlights a section titled "Learning and Expertise Reward" which displays "17,500 XP". It shows four levels of reward progression: 69800 XP (unlocked), 89300 XP (locked), 128600 XP (locked), and 156800 XP (locked). Below this is a "Reward" section with "Voucher Short Course senilai Rp100.000" and a "Locked" button.

1. Peserta dapat mengerjakan **Assignment/Homework** dengan cara klik button **Submit** pada Homework yang akan dikerjakan
2. Peserta dapat mengerjakan Exam - Multiple Choice dengan cara klik button **Submit** pada Exam yang akan dikerjakan
3. Setelah klik button **Submit**, peserta akan diarahkan pada tab baru

The screenshot shows a mobile application interface for 'Week 1 - Assignment & Live Session'. At the top, there is a navigation bar with a back arrow, the title 'Week 1 - Assignment & Live Session', a session switcher showing '3 / 6 sessions' (with a green toggle switch), and a search bar.

The main content area displays several assignments and live sessions:

- Homework - Introduction to Data Science**: Due Date 17 Jun 23, Earn exp +2500. A blue 'Submit' button is visible.
- Homework - Career & Learning Goals**: Due Date 17 Jun 23, Earn exp +1000. A blue 'Submit' button is visible, outlined in red.
- Exam - Introduction to Data Science**: Due Date 17 Jun 23, Earn exp +3500. A blue 'Submit' button is visible, outlined in red.
- Live Mentoring - Week 1**: Status 'Done', Successfully earned exp +500. A blue 'Watch Again' button is visible.
- Live Session - Introduction to Data Science & Homework Discussion**: A video camera icon.

- Untuk mulai penggerjaan Assignment/Homework peserta dapat klik Button **Mulai Kerjakan Soal** dan akan diarahkan pada tab baru untuk mengakses instruksi yang diberikan oleh Tutor

The screenshot shows a mobile device displaying the Rakamin platform. The top navigation bar has a back arrow and the text "Assignment Access". Below the navigation is a large, semi-transparent background image of a person wearing glasses and a white shirt. The main content area is titled "Homework - Introduction to Data Science". A sub-section title "Homework - Introduction to Data Science - Week 1 - Assignment & Live Session" is displayed. To the right of the title, there are four status details:

- Batas Pengumpulan : 17 Juni 2023
- Jumlah Soal : 1
- Tipe Soal : Upload
- Status : Belum Dikerjakan

A prominent orange button labeled "Mulai Kerjakan Soal" is centered below these details, with a red rectangular box highlighting it. At the bottom of the screen, there is a blue sidebar with the title "Tutor Pengisi Materi" and a circular profile picture of a man. Below the sidebar, the tutor's name is listed as "Hendra Hadhil Choiri" with a short bio: "Hendra mendalamai dunia data science saat studi master di TU Delft, Belanda. Lalu dia menjadi data".

1. Unduh instruksi pada dokumen yang telah dilampirkan pada section Homework.
2. Homework yang sudah dikerjakan silahkan diupload melalui halaman yang sama dengan format Zip, Doc, xls, ataupun PDF
3. Setelah selesai di upload klik button Submit Homework dan pastikan Homework dikerjakan sebelum deadline yang ditentukan

The screenshot shows a web-based assignment submission interface for the 'Data Science Bootcamp Batch 35' course. The page title is 'Data Science Bootcamp Batch 35'. On the left, there's a sidebar for 'Homework - Career & Learning Goals' with a deadline of '17 Jun 23, 23:59'. Below it, under 'Soal', there's a list of tasks: '1' (Telah diisi), '1' (Belum diisi), and '1' (Ditandai). A large red box highlights the 'Submit Homework' button at the bottom of this sidebar. At the bottom of the sidebar, a note says 'Isi semua jawaban terlebih dahulu untuk submit Homework'. The main content area contains a question titled 'Pertanyaan 1' with the instruction 'Silahkan Unduh dan Kerjakan tugas di bawah ini sesuai dengan instruksi yang diberikan'. It includes a link to a template ('Template Career and Learning Pl...') and a file upload area with a dashed red border and a 'Drop Your File Here or Browse' button. A green folder icon is also present in this area.

1. Untuk mulai penggerjaan Exam peserta dapat klik Button **Mulai Kerjakan Soal** dan akan diarahkan pada tab baru untuk mengakses pertanyaan pilihan ganda yang langsung bisa dikerjakan.

The screenshot shows a web-based exam interface. At the top, there is a navigation bar with 'dashboard' and 'Exam - Introduction to Data S...'. The main title is 'Exam - Introduction to Data Science'. Below it, the specific exam title is 'Exam - Introduction to Data Science - Week 1 - Assignment & Live Session'. To the right of the title, there are several status details: 'Batas Pengumpulan : 17 Juni 2023', 'Jumlah Soal : 26', 'Tipe Soal : Pilihan Ganda', and 'Status : Belum Dikerjakan'. A prominent yellow button at the bottom center is labeled 'Mulai Kerjakan Soal', which is highlighted with a red border. The background of the entire interface is white.

1. Jawab semua pertanyaan dengan teliti dan pastikan tidak ada satupun pertanyaan yang belum terjawab
2. Jika ada pertanyaan yang belum terjawab, button Submit Exam tidak akan berubah warna dan tidak dapat diklik
3. Jika sudah dikerjakan semua pertanyaan silahkan klik button Submit Exam
4. Exam tidak bisa diulang dan hasil akan langsung diketahui

Sesi 2: Occupational Fraud Schemes - Part 2	-	08 Apr 23, 10:15	Attended

At the bottom, there are navigation icons for 'Back', 'Next', and 'Pages' (with page numbers 1, 2).

1. Di **Assignment History**, peserta dapat memantau nilai dan memberikan masukan kepada tutor dari tugas yang telah diselesaikan

The screenshot shows a digital interface for managing assignments. At the top, it displays the course name: "Project Management (Scrum Master) Short Course Batch 2". Below this, there is a header with a back button labeled "Kembali" and a title "Assignment History". The main area is a table listing assignments. The columns are: Session, Instructor, Type, Submission Date, Due Date, Submit, Score, and Status. There are two entries in the table:

Session	Instructor	Type	Submission Date	Due Date	Submit	Score	Status
Project Management (Scrum Master) Short Course Batch 2	Homework - Forming and Empowering Scrum Team Harindra W Pradhana	Homework	13 Okt 23, 12:33	23 Jul 22, 23:59	Late	-	Sedang dinilai
Exam - Agile Fundamentals and Scrum Framework Dayu Bagus Permata		Exam	13 Okt 23, 12:34	16 Jul 22, 23:59	Late	10	Sudah dinilai

At the bottom of the table, there are navigation arrows for pagination, with the number "1" indicating the current page.

AI Mentor adalah fitur canggih (berbasis ChatGPT) pada platform Rakamin yang siap membantu dan mendampingi siswa dalam segala proses pembelajaran

AI Mentor

Student Features

The screenshot displays the Rakamin AI Mentor interface on a tablet. The main screen shows a "Time and Workload Management" section for an English class. It includes a "Next Schedule" section with a "4 to-do" list, a "Main Program" section, and a "Portfolio Creation (Mini Project & Project-Based Internship)" section. Below these are sections for "Job Guarantee Program". On the right side of the tablet, a separate chat window is open, showing a conversation between a user asking for C++ code to calculate the area of a rectangle and the AI responding with the code:

```
#include <iostream>
int main() {
    int panjang, lebar, luas;
    std::cout << "Masukkan panjang: ";
    std::cin >> panjang;
    std::cout << "Masukkan lebar: ";
    std::cin >> lebar;
    luas = panjang * lebar;
    std::cout << "Luas persegi panjang adalah: " << luas << std::endl;
    return 0;
}
```

Below the code, a note explains its purpose: "Di sini, kita menggunakan variabel panjang dan lebar untuk menyimpan input dari pengguna". At the bottom of the chat window, there are "Kirim pesan..." and "Kirim" buttons.

Thank You
**ODP BY LEAD IT
BATCH 20 & 21**
